(Extended hours required during April and May)

Status: Full-time, year-round

Pay: \$21.00/hour

Benefits: Health benefits after 6 months; Vacation: 2 weeks over Christmas + 2 weeks during off season times.

Job Description

Brownridge Greenhouses & Nursery Ltd. is seeking a dependable and skilled Maintenance/Handyman to join our team. This position supports the overall maintenance, repair, and smooth operation of our busy wholesale greenhouse facility.

Key Responsibilities

- **Set up, dismantle, and maintain irrigation systems throughout the greenhouse.**
- **Perform general repairs and maintenance on greenhouse structures.**
- **Operate a tractor for snow removal and grass cutting.**
- **Maintain equipment including racks, tractors, wagons, planting lines, and flat fillers.**
- **Driving a straight truck (DZ license) during peak seasons in May and September—an asset but not mandatory.**

Requirements

- **Physically fit; able to crouch and work comfortably on ladders.**
 - **Previous maintenance experience required; greenhouse maintenance experience considered an asset.**
 - **Working at Heights certification (training provided if needed).**
 - **Valid G driver's license; DZ license an asset but not mandatory.**
 - **Strong ability to work independently, problem-solve, and prioritize tasks.**
-
